### WHAT WILL THE WEATHER BE LIKE?

*With its altitude and proximity to the mountains, Colorado Springs enjoys a mild climate year-round. In the summer months, daytime highs can range from the upper 70s to mid 80s. Evenings cool off into the upper 60s to low 70s.*

### HOW SHOULD I DRESS?

*Dress in layers so you have the freedom to add/remove items as the weather changes throughout the day. Moisture-wicking/quick dry fabrics are essential.*
